

PDA

Professional Development Alternatives

Online modules providing a comprehensive, high-quality and accessible professional development for Florida educators.

FDLRS Proudly Announces PDA Statewide Online Courses Beginning Summer 2015

Each local FDLRS Associate Center will continue to offer PDA courses throughout the districts. The following list of state-wide offerings is to supplement what is available locally. Starting dates which include a mandatory virtual session have been provided. Virtual sessions are from 5:00 – 7:00PM est. Dates for virtual meetings – a requirement of the PDA program will be established by the course facilitator and PDA Coordinator. Online registration for these modules is available at: www.fdlrs.org/x/events
